COVERAGE

Every Competition. Every Home Match.

01

The season kicks off mid-July 2026 — and so do the programmes.

02

LEAGUE**

SPFL League 2 coverage all season long, with league tables and in-depth analysis.

03

**SCOTTISH GAS
CUP**

Full programme coverage for every home cup tie.

■ COLLECTOR'S ALERT

Annan Athletic has not had a Matchday Programme for a considerable time. Demand for the very first editions — the opening Scottish Premier Sports Cup issue and the first League Programme — is expected to be exceptionally high. These first day covers will become genuine collectors' items, and there will be a place for them on the wider collector's market. Additional copies will be printed, but **we strongly recommend purchasing early to avoid disappointment.**

Hospitality guests receive a complimentary copy with every matchday package — a mark of appreciation for your valued support.
